

Welcome to Nordia 2020 in Malmö 4-6 September 2020

It is with great pleasure I'm looking forward to Nordia 2020. The preparations are proceeding very well thanks to our well-established team. In addition to a great number of exhibits, we are also pleased to present many extremely rare international items.

Some of the highlights:

- The Club de Monte Carlo is showing some of the most exclusive stamps in the world
- Ringströms museum is participating with exclusive items
- In the Invited Exhibits class, what is probably the world's largest collection of Skilling Banco is displayed
- Svensk Posthistorisk Dokumentation (SSPD) is celebrating its 50th anniversary with a special exhibit

Nordia 2020 will be a gathering point for enthusiasts of stamps and postcards from all the Nordic countries. We are also expecting visitors from all over Europe and from the USA. The Royal Philatelic Society London is taking the opportunity to arrange a few seminars as well as a dinner at the Malmö Live conference centre. The European Academy, AEP, will on the Saturday at 14.00 – 16.00 hold lectures. Also non-members are welcome.

Nordia 2020 will take place at the MalmöMässan exhibition and congress centre, just thirteen minutes by train from Copenhagen Airport! Visiting the exhibition couldn't be easier whether you live in Sweden or in another country. The premises are well lit and offer plenty of space as well as a hotel right across the street, the Malmö Arena Hotel with a skybar on the 16th floor featuring panoramic windows in all directions. Here you will get a unique view of Malmö and Öresund.

The exhibition includes Court d'Honneur, the Championship class and all competition classes according to the regulations for Nordic exhibitions. Examine about 1,000 frames of philatelic items, expand your collection with bargains from about thirty retailers, fill your stomach with good meals and drinks from the restaurant. What more could we offer?

Bring your partner and experience Malmö as well as Copenhagen. Travel easily by train to various interesting destinations, on both sides of Öresund, directly from our official hotel.

Sincerely,

Lars Nordberg
President of the Organizing Committee
